

**Immanuel Kant
Baltic Federal
University**

IACR Summer school on post-quantum cryptography

Euclidean lattices: theory and applications

15-19 July 2019, Kaliningrad, Russia

Location

Immanuel Kant Baltic Federal University

Speakers

Prof. Damien Stehlé (ENS de Lyon, France)
Lecture series on theory of lattices and lattice-based
cryptography

Prof. Alexander May
(Ruhr University Bochum, Germany)
Lecture series on lattice-based
cryptanalysis

Format

- 9:15-10:45 Lecture I
- 10:45-11:05 Coffee
- 10:45-11:05 Lecture II
- 12:35-14:00 Lunch
- 14:00-15:15 Tutorial session I
- 15:15-15:30 Coffee II
- 15:30-16:45 Tutorial session I

Registration

summerschool-kld.com

Fees

Participation: 20 € (1 500 ₺)

Excursion: 30 € (2 250 ₺), Curonian Spit

Stipends

Travel grants (at most 400 €)

Sponsors: DFG (CASA) + IACR

Organisers

- Elena Kirshanova (ENS de Lyon, France)
elena.kirshanova@ens-lyon.fr
- Ekaterina Malygina (IKBFU, Russia)
